STAR Pupils

Left to Right: Curtleigh Jacobs, Shariefa Bocks, Joslin Burts, Adriaan Freeks, Du-Wayne Lamont

These five children have made good progress this year and I am confident that they will make a pleasing impression at the new schools they will be attending next year.

Hierdie vyf kinders het baie goed gevorder die jaar. Ek is vol vertroue dat hulle a goeie indruk gaan maak by die nuwe skole wat hulle volgende jaar gaan bywoon.

Stimulation Tip

For all the graduates and those returning to Wikkelwurms in 2016:

Parents must send a clear message to their children that their child's primary job is going to school. During the school week, the family's number one priority must be their child's schooling!

Vir al die gegradueerdes en die kinders wat terugkeer Wikkelwurms toe in 2016:

Ouers moet asb 'n duidelik boodskap aan hulle kinders oordra dat hulle primêre doel is om skool toe te gaan. Tydens die week van skool moet die ouers die kind se skoolgaan prioriteit maak!
