

Welcome to Wikkkelwurms

October 2015

DOMINICK PIETERSE

STAR PUPIL

When Dominick first started here with us, he did not communicate at all. He is now able to speak in full sentences; but reserves this for special people because he's still a bit shy.

Toe Dominick by ons begin het, het hy nie baie goed gekommunikeer nie. Hy praat nou vlot en gebruik vol sinne. Hy hou bietjie terug en gesels net met mense wat vir hom spesiaal is, want hy is nog bietjie skaam.

Visit ~ Besoek

This group of mom's & their children entertained the children with a program about South Africa.

Die groep mamma's & hulle kinders het die Wikkkelwurms vermaak met 'n program oor Suid Afrika.

The parents of the children mentioned below must please make sure that they enroll their child **before the end of OCTOBER** to ensure a place for Gr 1 in January 2016 if they have not done so already. Thank you.

Joslin Burts, Shariefa Bocks, Du-Wayne Lamont, Adriaan Freeks & Sinethemba Gouws

Die ouers van die bogenoemde kinders moet asb seker maak dat hulle die kinders inskryf **voor einde OKTOBER** om te verseker dat hulle plek kry vir Gr 1 in Januarie 2016, indien dit nie reeds gedoen is nie. Dankie.

Stimulation Tip

PLEASE TEACH YOUR CHILDREN HOW TO DRESS THEMSELVES

Pack their clothes for the day out on the bed and let them dress themselves. Shoes and socks as well. Help where necessary and give lots of praise and encouragement. The older children (4-6yrs) must also learn to tie their shoelaces – especially those going to Grade 1 next year.

LEER ASB JULLE KINDERS OM SELF AAN TE TREK

Sit hulle klere vir die dag uit op die bed en laat hulle self aantrek. Skoene en sokkies ook. Help waar nodig en gee baie prys en aanmoediging. Die ouer kinders (4-6jr) moet ook leer om hulle skoenvetters vas te maak – veral die kinders wat volgende jaar Graad 1 toe gaan.
