Wikkelwurms FUN DAY with Parents

Our Wikkelwurms Early Childhood Development Program enjoyed a fun-filled morning at the Botanical Gardens with their parents. The aim of the day was interaction between children and parents through fun activities. They were all treated to a snack and light lunch and the morning ended with smiles all around. Both parents and children enjoyed every minute.

DA Spokesperson, Ms Mercia Draghoender and Ms Denise Robinson (Chairperson of the DA Women's Network) visited Bethesda and also donated some toiletries to the Intermediate Care Facility.

The Eden District Municipality donated blankets, food, cutlery and crockery to the Child and Youth Care Centre.

Old Mutual moved premises and we were very fortunate to receive some of the office furniture that they no longer needed. This will enable us to replace some of the older furniture in our offices.

Junior City Council brightens the day

The Junior City Council started a project by selling cupcakes to collect money and then purchased paint with the income generated. They then came to spend the afternoon with the CYCC and the children helped them paint the tables outside under the big tree. Everyone enjoyed this project very much.
