**CYCC**

The children in the Child and Youth Care Centre (CYCC) were very happy to each receive a pair of gumboots – Thank you to Berenice Kogana and a group of her friends.

York High Interact Group visited the CYCC and brought along bags full of donations. This Group often visits the children and have been part of other projects here at Bethesda as well.

Thanks to the George South NG Congregation all the children in the CYCC will be nice and warm at night with their new pyjamas.

**ICF**

A group from St Albans Congregation in Pacaltsdorp visited us and each child in the ICF received a warm fleece blanket and knitted doll. The Church has become great partner to Bethesda.

The Intermediate Care Facility (ICF) staff are very excited and grateful for the new medical equipment purchased with funding from the TRUE COLOURS TRUST (APCA).

**ICF**

The Outeniqua Quilters Association had an exhibition in September. They sold raffle tickets for a quilt on display and we are very fortunate to be beneficiaries of some of the funds raised. The Quilters are special supporters of Bethesda and regularly donate items to us.

**DONALDSON TRUST = SURVIVOR CAMP**

The children in the CYCC had the opportunity to take part in their very own "SURVIVOR". Funding from the Donaldson Trust enabled us to plan a "Survivor" camp at Carmel for the children with the following goals and skills in mind:

- Gratefulness/Thankfulness for what we have
- Teamwork/Cooperation
- Communication
- Respect for each other
- Appreciation for each other and nature

This camp was great fun and enjoyed by one and all. The feedback from the children was positive and it was clear that the goals set out for the camp were reached. Thank you to all the staff, especially to Jo-Anne, for all the planning and implementation of this camp!!
